ADMINISTRATION AND FACULTY

FRED THOMPSON--President

Board Of Education

The Board of Education during 1975-76 added two new members, Mr. Larry Bailey and Mrs. Clarese Ireland. Board members volunteer time from their homes and businesses for the benefit of community, students, and faculty. They work with the Superintendent of Schools in monthly meetings providing the best educational opportunities possible for residents of district 503.

Most Successful Season

The 1975 football season was the best ever at Parsons High School with records of all kinds being broken. The Vikings went right to the state championship game before losing and ended the season with a 12-1 record.

In regular season play, the Vikings went undefeated for the first time since 1942. This year's team gave up points to only three opponents and shut out nine before losing the final game. The Vikings set a scoring record of 348 points and ran the longest winning streak of fifteen consecutive victories (over two seasons).

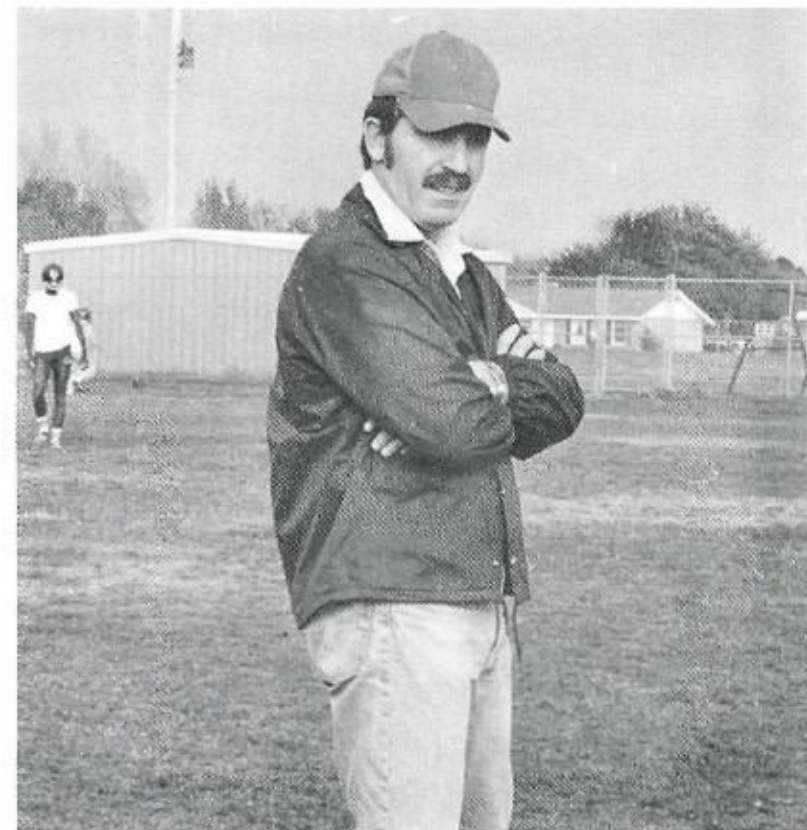

Individual records were set by Terry Wallace, Jimmie Turner, and Charley Chandler. Wallace's record of 100 points in one season was combined with a record of 24 pass receptions totaling 580 yards. Turner set a new school rushing record of 227 yards in a single game. For the season he ground out 1063 yards and 18 touchdowns. Chandler's new passing record earned 1567 yards for the Vikings, and he threw 21 touchdown passes to various receivers.

Wallace was named by the Kansas City Star to the second team all-state, offensive unit. Chandler and Turner also were given honorable mention by the same newspaper for their offensive efforts.

A major reason for the successes of the offensive onslaught came from the defensive team. Jerry Kinsch, named first team all-state at nose guard position, forced many turn overs and punts that gave the ball to the offense. Defensive backs James Hickles and Sonny Bailey intercepted key passes, stopping opponents.

Defensive end Harry Coker, and linebacker Wade Cares both were selected for all-SEK honors for their outstanding play on defense.

The season was successful because of the total effort of the team, coaches, and loyal fans of PHS.

Basketball

A Changing Season

With football games running into the normal practice season for basketball, the Vikings moved into league play not well prepared. The season opened in December, and we lost three of the four games played during that month. Our only win was over L. C. H. S. at Altamont.

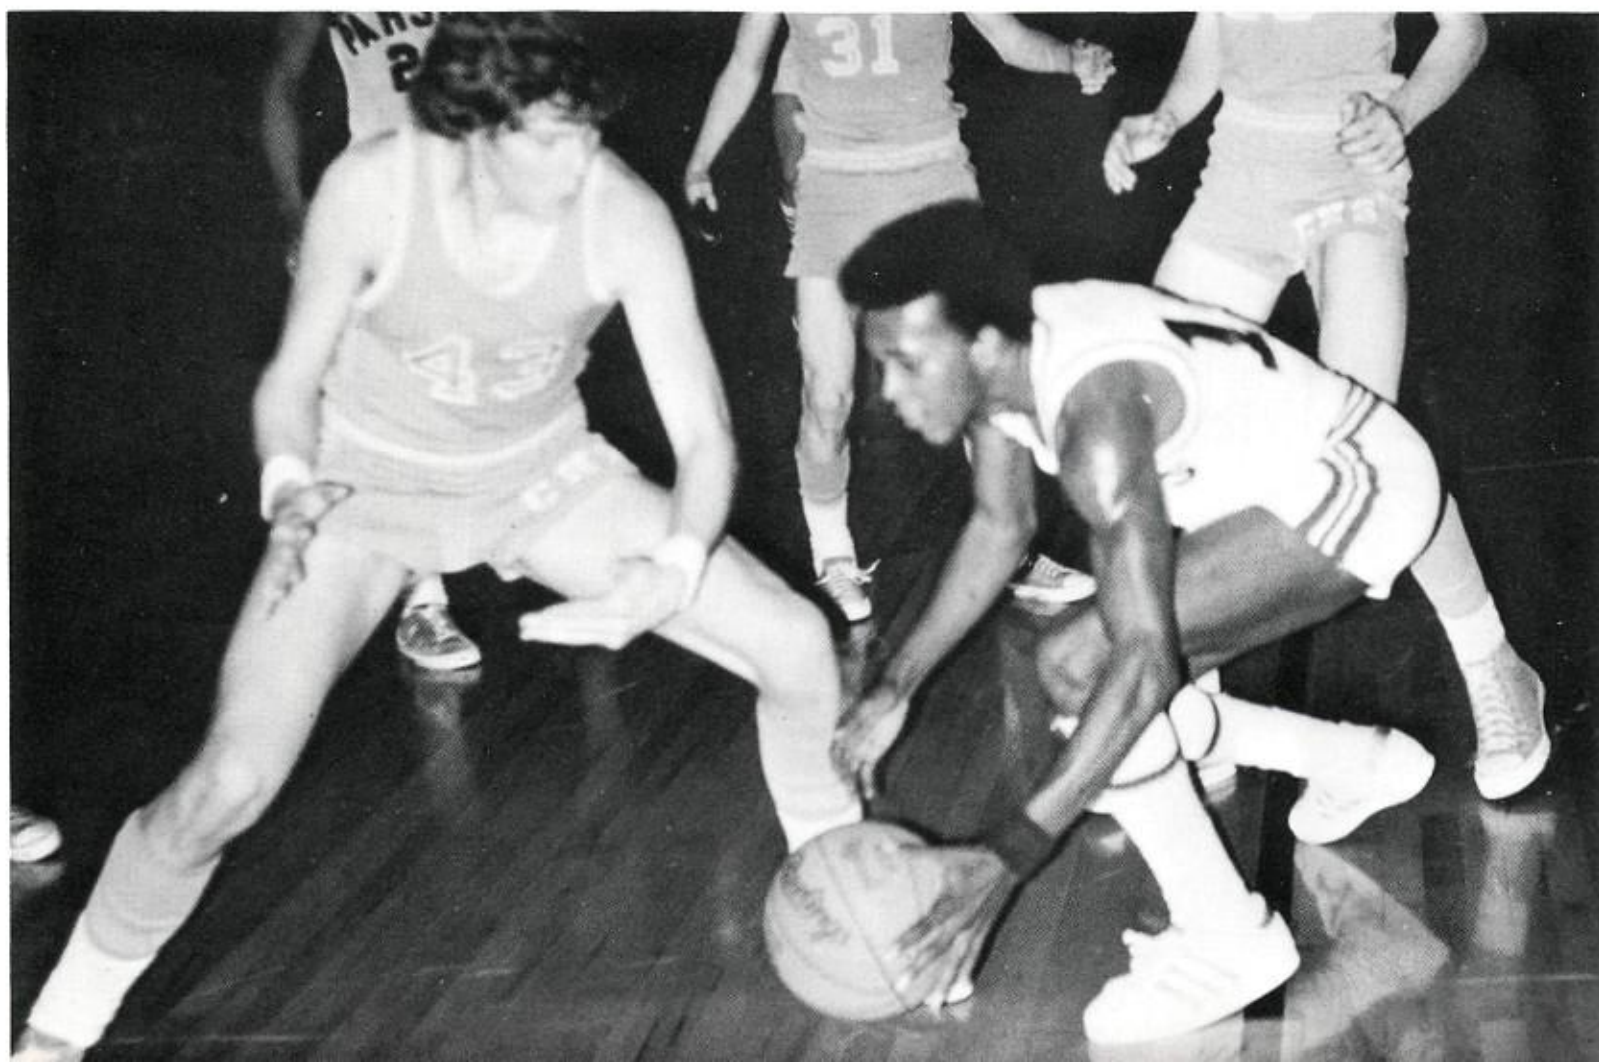

Returning in January, the Vikings entered the Interstate tournament in Coffeyville and lost each of the three games to Bartlesville, Emporia, and Shawnee-Mission. This was the worst showing the Vikings had made in tournament play in many years.

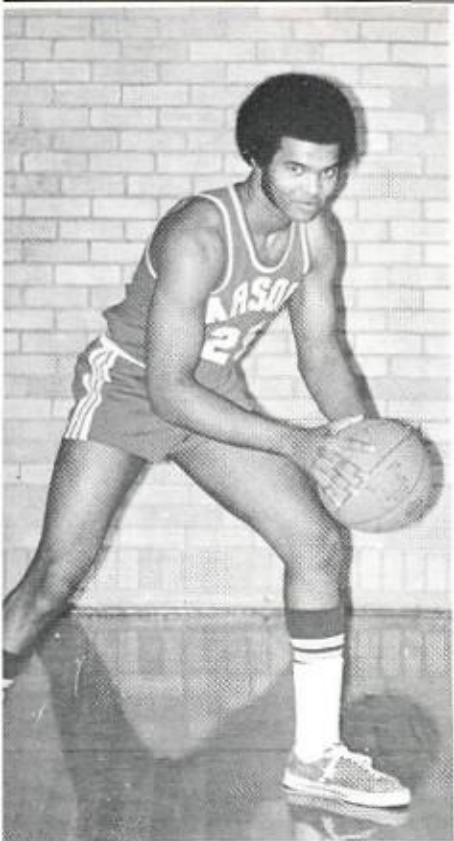

Following the mid-season break when teams returned to league competition, the Vikings were finally ready to play as they really could. The first two games were against Fort Scott and Coffeyville. The Vikings ruined the previously unbeaten Fort Scott Tigers by a score of 68-51. That win lifted the Vikings' spirit and they demolished Coffeyville 61-38, but the next game with L. C. H. S. here was almost a disaster as we barely won 45-43. The Vikings continued their winning streak in league play, and went into the regional tournament at Girard hoping for another trip to the state tournament.

David Lawrence and Charley Chandler work together to gain control of the game here with Fort Scott.

Band Has Many Duties.

The band is enjoying a good year. The marching band also, as usual, had a fine year performing at all football games. They also went to the Tulsa State Fair Day Parade. Although the numbers in attendance were down this year, they still did a great job. The pep band had the usual assignment of helping arouse pep at basketball games and providing the Pom Pon girls with musical accompaniment. The concert band also did very well in the two yearly concerts.

In March the annual Band Banquet was presented to express thanks to the new director, Mr. Cecil Agnew.
